Margin checklist

Before you cost

- Fix the retail band first, then work back to the cost you can afford.
- Agree minimums for any new trim or hardware early.
- Ask for a price on two versions: full detail and a simpler one.

Where cost hides

- Hand work such as beading, fringe and embroidery.
- Extra panels, pockets and linings.
- Custom hardware, washes and finishes.
- Duty and freight on imported trims.

Keep the look, cut the cost

- Place the detail where it is seen: neckline, cuff, hem.
- Use stock trims in season colours.
- Put the costly version in a small premium run.
